MEMORANDUM FOR: Deputy Director (Support)

SUBJECT : Counter Audio Surveillance Training

1. Reference is made to your memorandum of 14 August 1957 in the above-captioned matter. As you are aware, the Office of Security and the Counter Intelligence Staff of DD/P have for some time been attempting to work out a plan to strengthen the protection of our overseas installations against audio surveillance. The plan submitted in referenced memorandum is acceptable to me, and I believe that it is the best solution that can be arrived at.

2. Further discussions are contemplated with the Office of Communications in an effort to reach an agreement in which the communication officer can be trained to handle the very small Stations. Regardless of the outcome of these discussions, in which a representative from the Office of Security will be invited to participate, the training load will be the same.
